

The Notification of Cooling Towers and Evaporative Condensers Regulations 1992

Last updated:15-06-23

Under the The Notification of Cooling Towers and Evaporative Condensers Regulations 1992 all businesses or premises that have wet cooling towers and/or evaporative condensers within the Comhairle's area have a requirement to notify us.

A register of the applications made to the Comhairle is detailed below. For further information see the Comhairle's website at:
